O! Lord, thanks for Earth's Produce – the fruits, Vegetables, Cereals, Herbs, Milk and Honey

O! Lord, thanks for Earth's Beauty – the Mountains, Rivers, Deserts, Flowers, Forests, Diverse Species – birds, animals

O! Lord, thanks for Changing Seasons – to experience Rains, Snow, Heat, Autumn, the falling leaves and then the new ones

O! Lord, thanks for Parents & Mentors - to realize true expression of Selfless Love and the way direction leads to unveil one's potential

O! Lord, thanks for Kids - to understand difference between vice and virtue, and innocence

O! Lord, thanks for Spouse, Siblings & Social Friends – to understand Harmony and Sharing in Relationships

O! Lord, thanks for Human Ingenuity – for the creative thought in politics, literature, philosophy, music, monuments, art

O! Lord, thanks for having mortals experience your Sound in Silence and in Congregation
